

ATELIER IKS

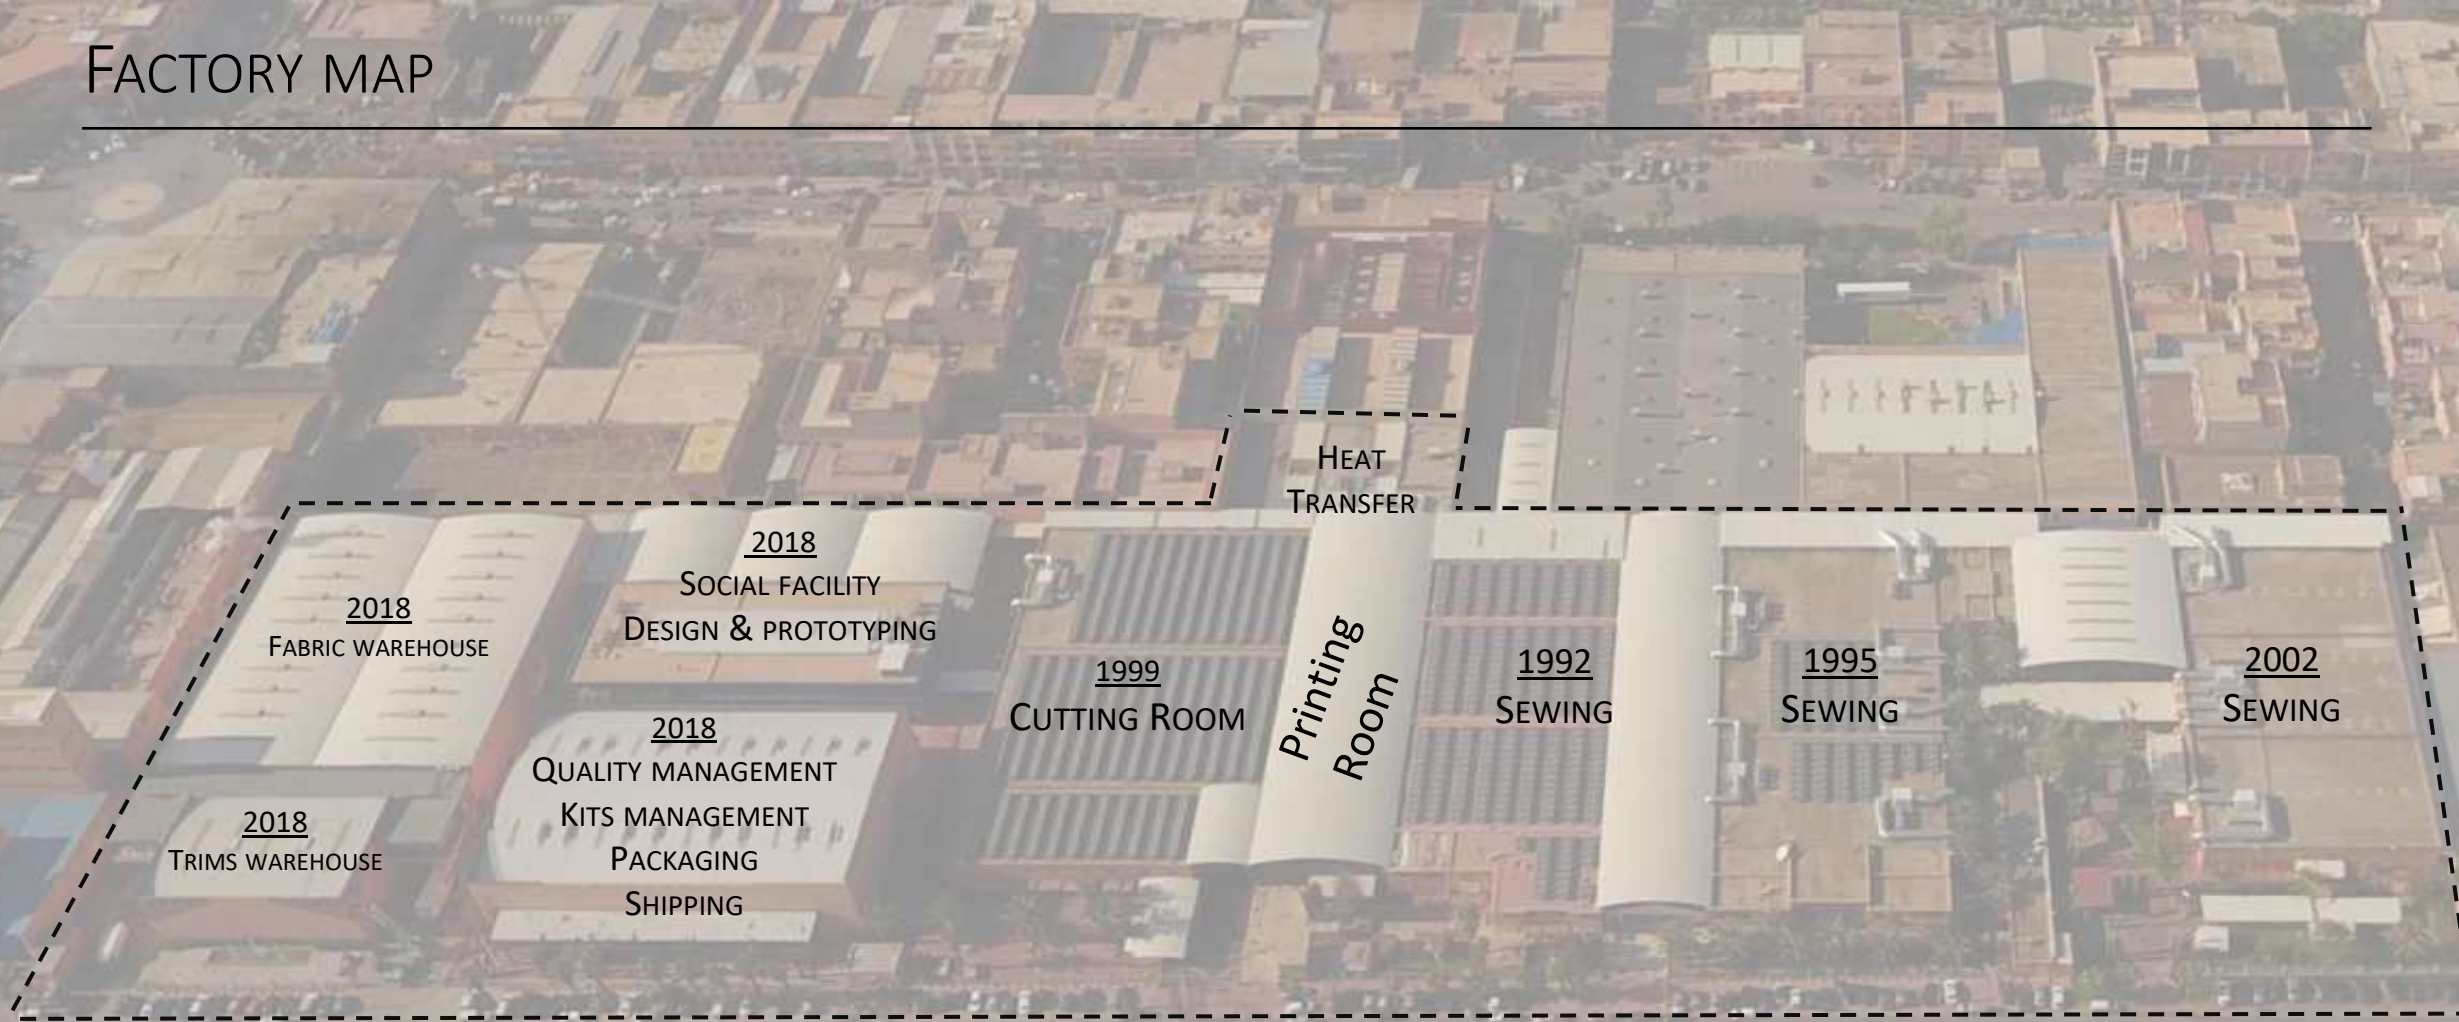

An aerial photograph of a city, likely in the Middle East, showing a large industrial or commercial complex in the foreground. The complex features several large, modern buildings with curved, white roofs. A wide road with traffic is visible in the lower foreground. The city extends into the distance under a hazy sky.

ATELIER IKS

- 2550+ employees - 2400 in the sewing facility - 150 in knitting & dyeing
 - More than 20M pieces produced each year

An aerial photograph of an industrial park. The foreground shows a multi-lane road with several cars. Behind the road is a large parking lot filled with cars. The main part of the image is dominated by several large, modern industrial buildings with curved, white roofs. The background shows a dense urban area with many smaller buildings and a hazy horizon.
